

Gingerbread Day

On Friday, December 12th the Kindergarten classes will be working to perform the task of creating a Gingerbread House. We will be going to the cafeteria and following directions to make our own Gingerbread Houses.

In order to make this day a success we need the support of our families. We are asking for a donation of \$3.00 from each child in order to purchase the items needed to make the Gingerbread Houses. Please send the donation, if you are able to do so, with your child to school on/before Friday, December 5th.

In addition, we are asking for volunteers who can help setup, assist students during the activity, and help cleanup. If you are interested in volunteering between 9:00 and 11:00am please fill out the form below and return it to your child's teacher on/before Friday, December 5th.

As always, feel free to contact your child's teacher with questions and/or concerns.

Thanks for your ongoing support,
The Kindergarten Team
